

Stairway GTL

The Stairway GTL, from the trusted StairMaster brand, revolutionizes the stair climber with its unique closed-loop control, ensuring consistent speed even when you're tired or leaning on the handles. This advanced feature delivers a smooth, uninterrupted workout every time. Despite its powerful performance, the Stairway GTL's compact design fits into spaces where traditional stair climbers can't, offering full-size functionality in a more space-efficient package. Smart, simple, and user-friendly, it's the perfect choice for anyone seeking a commercial-grade workout at home.
