NAUTILUS

XPload Premier - Row

The XPload Premier Row is the straightforward horizontal pull for the mid back and lats. Independent arms travel a diverging path back and outward, and gas-assisted seat height adjustment with a wrap-around handle lines members up with the handles in one motion. Lever drive means no cables or belts to wear, adjust, or replace, so the station stays in service. At 51 in (129 cm) tall, it keeps sight lines open across the floor.

PRODUCT DIMENSIONS	
Length	64 in (163 cm)
Width	50 in (127 cm)
Height	51 in (129 cm)
Overall Weight	300 lbs (136 kg)
Shipping weight	485 lbs (220 kg)
